NONPROFIT NEWS

REFOCUSED.

“ THE ALLIANCE IS COMMITTED, DRIVEN, HOPE-FILLED, FORWARD THINKING PEOPLE. ”

RECONNECTED.

FROM THE ED

Greetings Alliance Partners,
Many of you know we are in the process of membership verification. While this has been mildly irritating for some (I know, I got the emails) it has afforded me the opportunity to have truly meaningful conversations with many of you. What I have heard is a desire, more than that, the need to reconnect The Alliance to the organizations and people who were there at the beginning.

We remain committed to serving as the catalyst for partnerships and collaboration among human service organizations, the faith community, other community organizations, and interested citizens to enhance the lives of the people of Greater Prince William.

and interested citizens to enhance the lives of the people of Greater Prince William. We work to connect those with resources to those who need them.

To those of you who were members of the Coalition for Human Services, those who participated in listening sessions across the county, and the citizens who believed The Alliance could be a trusted community partner to support vital organizations, I want you to know **we are THAT ALLIANCE, THE ALLIANCE.**

We are listening, we are serving, we are responsive, and we are working to make our member organizations stronger.

Yours in partnership,

Martina
