OF GREATER PRINCE WILLIAM

# NONPROFIT NEWS

Greetings Alliance members and friends,

On Saturday, September 28th, I had the pleasure of attending the 7th Annual Bill Mehr Drop-In Center Banquet hosted by the Cooperative Council of Ministries (CCoM). It was a wonderful celebration of the Council and the commitment of the volunteers who work hard to improve the lives of our neighbors.

CCoM partnered with the county to open the shelter in May of 2002. Named after the late Bill Mehr who led the effort to create the center and actively volunteered there, the center serves community members experiencing homelessness. Services cover every aspect of the human experience including food, shelter, clothing, mental health and substance abuse support, medical and dental appointments. Each year the Council provides meals, volunteers, and funds staff salaries (approximately \$50,000) at the Drop-In Center.

I'm sharing this because I was deeply moved by the testimonials and the incredible commitment of the CCoM and staff of the Drop-In Center. Addressing homelessness is not the responsibility of one organization. It's not the responsibility of a few volunteers. We all share the responsibility to uplift those in need.

Learn how you can support the Bill Mehr Drop-In Center at [ccomcares.org](http://ccomcares.org).

Yours in service,

*Martina*
