# NONPROFIT NEWS

Greetings Alliance Members and Friends,

The 2024 Annual Meeting was a wonderful time to reflect on what we've done collectively in the community, to celebrate outstanding organizations, and to hear from County Executive Chris Shorter about the initiatives created to improve the health, safety, and quality of life for residents. Let us all work toward reducing the gap in life expectancy between those who have the most resources and those who have the least.

In the last year, we've reached remarkable milestones and made a profound impact on the lives of many. We've provided over 157,000 meals to those in need, ensuring that families and individuals have access to nutritious food during challenging times. Our commitment to mental well-being has been strong, with over 300 people benefiting from mental health services provided by our partners. We've supported 155 families through our childcare services, helping parents balance work and family responsibilities while ensuring their children receive safe, high quality care. AND SO MUCH MORE!

The Alliance team is more motivated than ever to continue our mission and we are excited about the future initiatives that will drive further positive change in our community.

With all of the wonderful moments of the day, the most important was your presence. To our members, dignitaries, and guests, thank you for joining us. The power of The Alliance lies in our connection with you. Together we ensure that those in need of resources receive them. Your support is vital to our ongoing success. Whether through membership, donations, volunteering, or spreading the word about our work, every effort helps us make a greater impact in our community.

Yours in service,

*Martina*

### **ONE POWERFUL KNOCK!**

A knock at the door might not seem like a big deal to many of us, but to a homebound senior, it could signal the arrival of the only person they might see all day.

***It brings hope.***

***It brings health.***

It brings the nutrition and care that will completely make their day.
